MEMORIES & MESSAGES

I'll have to wait for the statute of limitations to run out before I can say any more.

Bob Bair

I have fond memories of plays, musicals, band, choir, orchestra, basketball, soccer, Encore 1979, before the bell and a few classes. More than that, I remember the friendships within those activities. I would love to catch up with you folks (I never should have used mace at the homecoming halftime show).

Calvin Clark

I actually enjoyed project English!

Michael Coelho

The year spent in the USA changed my life. Giving me an awareness of a wide range of opportunities in the world.

Roberto Conte

Had a lot of fun in high school, especially all of the work on the musical "Damn Yankees". Remember the cast party. Stage crew and TV were the highlights of school.

Mark Finestone

To Carol Trusilo, since the first time I met you at Forest Hills Junior High, I have always cared for you. Waiting at the top of the steps near the football field my heart would beat so hard. Just walking home with you made me feel so good, even though it was only a few times. I was always shy to ask you out even through high school. You'll always be close in my heart for being there. My memories of you. Love always

David Fox

Skipping a few classes on Fridays to have lunch with my high school sweetie. I got caught once and told the school cop I had forgotten my homework. He believed me, but I did have to go back to class.

Keely Hoover Gleason

That which does not kill us, makes us strange.

Chris Keisling

I was looking forward to attending the 20th reunion and seeing high school friends again. Other obligations prevent this. One memory that stands out for me is of the college tour. It was a fun experience. I enjoyed meeting and socializing with many new people.

Joanne Legin Hudson

It would be nice to hear from the people who worked at Showcase. What a great time that was! I'd also like to hear from my friends who I've lost contact with.

Wendy LiVolsi Janakis

Sorry I won't be able to join you.

Phillip Melnick

I wish all the graduates of 1979, health and success with all of their endeavors. Much love from California.

Stacey Morris Raskin

When I worked as a student secretary in the high school office, I was in charge of processing all those attendance/class cut computer cards. There were times when I arranged that friends self-appointed early dismissals were not discovered by the guidance counselor!

Maribeth Nicholls Riberich

"D.K., D.K., D.K."

Lorynne Schreiber

Justine - how I wish that you were here with us.

Matthew Shaffer

I am happy to say I still have very good friends from my Atlantic Avenue Elementary through Churchill days. Terry, Tammy, Linda, Gina, Nancy, Lorynne, Patty, Jen, Betsy, and Karen. I am happy to call you all my friends.

Jody Shapiro

I just want to say I have nothing but great memories from high school. I wish I would have kept in better contact with my old friends who I think of often. I hope everyone has a great time at the reunion and I wish I could be there.

Stacy Sisk Corcoran

Too many wonderful memories to list. Just a wonderful group of friends in a wonderful place, at a wonderful time.

James Ways

Looking back at my years attending Churchill Area High School, I feel very fortunate to have spent it with such wonderful classmates and teachers. I have many fond memories that bring a smile whenever I recall them.

Duane Willhite

I remember nearly starting a fire in the Pub in 12th grade. I liked to burn paper in the space heater because it smelled like roasted marshmallows (no comments, please). One day the paper caught fire and I dropped it into the wastebasket which - whoosh - ignited. Thanks to Karl Moritz and his quick thinking for saving us all that day.

Patty Wyche

I hope everyone is doing well.

Ronald Yates
